PROFILE

Board director and technology executive in Milton. I pair a Treasurer's experience with budgets and building projects with a career spent guiding software companies through rapid growth and change.

Board skills: capital projects and reserve funds · fundraising and campaign planning · financial oversight · technology and AI governance · accessibility (AODA) · change management · community relations across Milton and Halton

BOARD EXPERIENCE

Milton Community Resource Centre

Nov 2024 – Present

Director; Chair, Business Development Committee

- Put together the plan, goals and budget for MCRC's upcoming fundraising campaign.
- Cultivate and collect donations, and introduce community and business supporters from my network.

Peel Standard Condominium Corporation 910

Apr 2015 – Jul 2019

Director and Treasurer

- Oversaw a parking garage rebuild: got the original builder to cover part of the cost, funded the rest from the reserve fund, and managed the work on the owners' side.
- Oversaw further reserve-funded upgrades, including exterior improvements, flooring and interiors, and an LED lighting retrofit.
- Prepared, presented and managed a $2 million operating budget for a community of more than 1,000 residents.
- Negotiated six-figure contracts, saving an average of 11%, and advised the board on strategic and operational planning.

COMMUNITY AND GIVING

- **Founder, Milton Innovation:** a community that has brought together technology people from across Halton.
- **Animal welfare:** donor to Happy's Place (senior dog rescue), Yamnuska Wolfdog Sanctuary and OVC Pet Trust.
- **Giving:** for more than fifteen years, I've asked family and friends to donate to charity instead of buying me gifts, including SickKids and local charities.
- **Organizer:** Milton trading-card giveaway for local kids.
- **Member:** Milton Chamber of Commerce, through Epilogue.

ADVISORY AND MENTORING

DMZ

Jan 2025 – Present

Expert-in-Residence, Artificial Intelligence

- Advise startup founders on AI systems and strategy.

The Forge, McMaster University

Jan 2024 – Present

Lead Mentor

- Mentor early-stage founders; portfolio companies have raised more than $20 million.

PROFESSIONAL EXPERIENCE

Clio
Aug 2026 – Present

Staff Product Manager · legal technology

- Product strategy for Vincent, Clio's enterprise legal AI platform.

Caseware
Jun 2025 – Aug 2026

Head of Studio & Principal Product Manager, AI · audit and accounting software

- Worked with the heads of product and technology to set company-wide AI strategy and governance, securing multi-year funding and executive support.
- Implemented an ISO/IEC 42001-aligned AI management system, with controls built into how products are released.
- Founded Caseware Studio and led a company-wide AI rollout that cut the time teams needed to ship work by 80%.

Epilogue
Sep 2023 – Present

Founder & Principal · AI consulting and product studio

- Advise executive teams on AI and product strategy; supported one client's leadership through a seven-figure acquisition.

FacilityOS
Apr 2024 – May 2025

Senior Product Manager, New Ventures · facility management software

- Took ContractorOS, a new compliance marketplace, from idea to launch; 90% customer retention.

Firework
Feb 2021 – Sep 2023

Director of Product Management · video commerce

- Grew and led a 60-person global team across five product lines.
- Shaped the product strategy and investment case behind a US$150 million Series B led by SoftBank, and briefed executives and the board regularly.

Earlier: product roles at VerticalScope, GryphTech and Rogers Communications.

RECOGNITION AND EDUCATION

- Named inventor on nine US patent filings; two granted (US 12,393,975 and US 12,184,947).
- Advanced Diploma, Software Development & Network Engineering — Sheridan College
- Certificate, Software Product Management — Product School
