Board director and technology executive in Milton, Ontario. I bring a Treasurer's experience with budgets and building projects, hands-on fundraising work, and a career guiding software companies through growth and change. I serve on the board of the Milton Community Resource Centre.

WHAT I BRING

- Fundraising: built the plan, goals and budget for a nonprofit campaign; cultivate donors across Milton and Halton.
- Financial oversight: $2 million operating budget and reserve-funded capital projects as Treasurer.
- Accessibility: led AODA and WCAG compliance work at several companies.
- Technology and AI governance for organizations adopting new tools responsibly.

BOARD EXPERIENCE

Milton Community Resource Centre

Nov 2024 – present

Director; Chair, Business Development Committee

- Put together the plan, goals and budget for MCRC's upcoming fundraising campaign.
- Cultivate and collect donations, and introduce community and business supporters from my network.

Peel Standard Condominium Corporation 910

Apr 2015 – Jul 2019

Director and Treasurer

- Oversaw a parking garage rebuild: got the original builder to cover part of the cost, funded the rest from the reserve fund, and managed the work on the owners' side.
- Oversaw further reserve-funded upgrades: exterior improvements, flooring and interiors, and an LED lighting retrofit.
- Prepared, presented and managed a $2 million operating budget for a community of more than 1,000 residents.
- Negotiated six-figure contracts, saving an average of 11%.

COMMUNITY

- Founder, Milton Innovation, bringing together technology people from across Halton.
- Donor to Happy's Place (senior dog rescue), Yamnuska Wolfdog Sanctuary and OVC Pet Trust.
- For more than fifteen years, I've asked family and friends to give to charity instead of buying me gifts, including SickKids and local charities.
- Organizer of a Milton trading-card giveaway for local kids. Member, Milton Chamber of Commerce, through Epilogue.

ADVISORY AND MENTORING

- **DMZ**, Expert-in-Residence, Artificial Intelligence (Jan 2025 – present). Advise startup founders on AI systems and strategy.
- **The Forge, McMaster University**, Lead Mentor (Jan 2024 – present). Mentor early-stage founders; portfolio companies have raised more than $20 million.
